**NEW!**

The Kobi exemplifies the sophisticated styling of a modern planter with the unbeatable durability of a high quality, rotationally molded product. The Kobi features a water reservoir that helps retain soil moisture and it includes a built-in overflow drainage hole to prevent overwatering. What a beautiful addition this planter would make to your front entrance, pool side patios, and courtyard terraces.

#### KOBI PLANTER ~ NEW

- Built-in circular water reservoir channels
- Removable fill port plug for direct access to water reservoir
- Hidden overflow drainage (optional plug for indoor use)
- Double wall design
- UV inhibitors
